Statement About Yourself (feel free to attach additional pages if needed)

A) Why are you interested in being a mentor in this program, and what do you hope to gain from participating in this program?

B) What are the three biggest challenges you think you will face when you begin your relationship with your mentee? What training or information would you like to receive in order to be better prepared to serve as a mentor or to help you overcome these challenges?

C) Tell us briefly about yourself, your goals, things that are important to you, etc. so we can better match you with a mentee.

D) What do you think it takes to make a partnership work? What will your commitment to your mentee look like?

Matching Information

Please describe any additional information you think would be important when we match you with a mentee (things about yourself or things about your potential mentee that could help you relate to them better).
